

# College & Career Ready Compact

Approved on November 7, 2011

PUBLIC  
EDUCATION  
NETWORK

**Public involvement. Public education. Public benefit.**

In the communities they serve, LEFs working with their partners, will increase by 100,000 the number of high school students who graduate, or are on track to graduate, college and career ready, by 2013. PEN will report progress towards the goal in 2012 and 2013.
